

Creating an Evite Invitation

1. In an Internet browser, navigate to www.evite.com.
The Evite Homepage appears.

2. On the Evite navigation bar, click **Create An Invitation**.
A column of event choices, and the Featured Designs gallery, appears.
3. Click on an event in the **Seasonal** or **Occasions** menus.
Template design options appear for the selected event.
4. Click on a selected design.
The Enter Details window for the design appears.

The 'Enter Details' form is shown with various input fields. On the left, fields include: '* Event Title', '* Event Type' (set to 'Anniversary'), '* Host' (set to 'Your Name'), 'Phone' (set to '555-555-5555'), 'Location Name', 'Address' (with 'Address Lookup' button), 'City' and 'ZIP' fields, '* Start Time' (set to '02/05/2014 at 08:00 PM'), and a 'Message from Host' text area. On the right, the 'RSVP Style' section allows customization of reply headers for 'Yes', 'Maybe', and 'No'. At the bottom, there are buttons for 'Cancel', 'Save Draft', 'Preview Invitation', and 'Continue'.

5. After customizing the invitation using the fields that display, complete one of the following actions:
 - a. To choose a different design, click **Change Design**.
A horizontal list of designs appears.
 - b. To save your input, click **Save Draft**.
Your input saves.
 - c. To delete the invitation, click **Cancel**.
Your invitation deletes.
 - d. To continue working on the invitation, click **Continue**.
The options to continue working on the invitation appears.
6. To preview the final look of your invitation, click **Preview Invitation**.
A preview of your finished invitation appears.
7. Click **Finish and Send**.
A confirmation appears once the invitation has been sent.
